

Excellence For All!

Sponsored by Title I

Parent Involvement Policy at Wing Luke

It is the policy of Wing Luke Elementary School to encourage and support family involvement in education, at home, in our schools and communities, and in school governance. We recognize the diversity of family structures, circumstances, and cultural backgrounds and respect families as important decision-makers for their children's education. We are committed to the creation and implementation of culturally inclusive and effective school-family partnerships throughout the school, and we believe these partnerships to be critical to the success of every student.

“Highly Qualified” Staff at Wing Luke

All our teachers and paraprofessionals at Wing Luke, a Title I school, are “highly qualified” and are dedicated to providing your children an excellent education. Our teachers and support staff regularly participate in professional development activities and are regularly evaluated to ensure that their skills remain at the highest possible level. Additionally, more than half of our teachers have Master's or other advanced degrees.

You should have received a notice last week we sent home with your student(s) regarding your right to request information about the professional qualifications of your child's classroom teachers, as well as those of the support staff who assist your child. Please let us know if you did not receive this notice or would like more information.

Thank you,

Dr. Davy Muth
Principal
